

INSTITUTION	PROGRAMME INFORMATION			
Institution	Programme	Description of the programme	Academic Cycle	Language of instruction
Budapest Business School (BGF)	Commerce and Marketing	Students accomplishing this study programme will have a	BA	English
Budapest Business School (BGF)	Tourism and Catering	Students accomplishing this study programme will have a	BA	English
Budapest Business School (BGF)	Tourism and Management	On completion of this 4-semester-long masters programme	MA	English
Budapest Business School (BGF)	Finance and Accounting	The objective of the study programme is to train	BA	English
Budapest Business School (BGF)	International Business	The English course combines the International Economics	BA	English
Budapest Business School (BGF)	International Economy and	The aim of the course is to train highly qualified graduates	MA	English
Budapest Business School (BGF)	International Relations	The aim of the programme is to train professionals who are	MA	English
Budapest Business School (BGF)	Tourism and Catering	Students accomplishing this study programme will have a	BA	German
Budapest Business School (BGF)	Commerce and Marketing	Students accomplishing this study programme will have a	BA	German
Budapest Business School (BGF)	International Business	The English course combines the International Economics	BA	French
Liszt Ferenc Academy of Music	General Music Studies	This undergraduate course is offered for those who wishing	BA	English
Liszt Ferenc Academy of Music	Kodály Music Pedagogy	This comprehensive study programme gives authentic	MA	English
Liszt Ferenc Academy of Music	Kodály Music Pedagogy	One-year post-graduate course that focuses on the training	OP	English
College of Nyíregyháza	Transport Engineer Aviation	Training objective: After the theoretical education and the	OP	English
Óbuda University	Mechatronics Engineering	The aim of the program is the training of mechatronic	BSc	English
Óbuda University	Mechatronics Engineering	The general aim of the Mechatronic Engineering Master	MSc	English
Óbuda University	Safety and Security	The goal of the Doctoral School is to train academics and	PhD	English
Óbuda University	Computer Engineering	The aim of the course is to qualify engineers capable to	BSc	English
Óbuda University	Applied Mathematics	The general aim of the applied mathematics program is to	MSc	English
Óbuda University	Computer Engineering	The aim of the course is to qualify engineers who, having	MSc	English
Óbuda University	Applied Informatics and	The School takes PhD students in the following research	PhD	English
Óbuda University	Electrical Engineering	Electrical engineers graduated from the Faculty specialized in	BSc	English
Óbuda University	Technical Management	The aim of the course is training Technical Managers who are	BSc	English
Óbuda University	Environmental Engineering	Students obtain a BSc degree in the basic training. This first	BSc	English
Óbuda University	Industrial Product Design	The goal of the course is to train industrial product designers	BSc	English
Óbuda University	Materials Sciences and	The purpose of the Doctoral School is to form professionals	PhD	English

University of Miskolc	Hydrogeological	The aim of the Hydrogeological Engineering MSc program is	MSc	English
University of Miskolc	Earth Sciences	For details see http://www.mfk.uni-	PhD	English
University of Miskolc	Petroleum Engineering	Petroleum Engineering is a well-paying career that offers	MSc	English
University of Miskolc	Earth Sciences Engineering	The Earth Science Masters program builds upon strong	MSc	English
University of Miskolc	Materials Engineering	The fields of training in the bachelor program include the	BSc	English
University of Miskolc	Materials Engineering	The primary purpose of the materials engineering course is to	MSc	English
University of Miskolc	Metallurgical Engineer	The program of metallurgical engineering focuses on the	MSc	English
University of Miskolc	Materials Sciences and	The Kerpely Antal Doctoral School of Materials Science and	PhD	English
University of Miskolc	Mechanical Engineering	The educational and research programme of the Doctoral	PhD	English
University of Miskolc	Mechanical Engineering	The course provides a comprehensive knowledge with sound	MSc	English
University of Miskolc	Software and Information	The course provides a comprehensive knowledge with sound	MSc	English
University of Miskolc	Software and Information	The course provides a comprehensive knowledge with sound	MSc	English
University of Miskolc	Master of Business	This unique business-related program has been developed	MA	English
University of Miskolc	Enterprise Theory and	The Enterprise Theory and Practice Doctoral School,	PhD	English
University of Miskolc	Enterprise Theory and	The Enterprise Theory and Practice Doctoral School,	PhD	English
University of West Hungary	Wood Technology	The goal of the course is professional training in wood	MSc	English
University of West Hungary	English Studies	The general aim of the BA course is to train English speaking	BA	English
University of West Hungary	German Language,	The aim of the BA programme is to train professionals	BA	German
University of West Hungary	Slavic Studies,	The role of the course is to obtain substantial knowledge in	BA	Russian
University of West Hungary	English Teaching	The role of the master's course is to prepare students for a	MA	English
University of West Hungary	Business Administration	The aim of the BA programme in Business Administration and	BA	German
University of West Hungary	International Business	The aim of the programme is to provide the students up-to-	BA	English
University of West Hungary	International Economic	This unique doctoral cross-border programme is focusing on	PhD	English
University of West Hungary	Kindergarden Pedagogy	This degree programme is designed for students who wish to	BA	German
National University of Public Service	Public Administration	The aim of the Doctoral School's program is to	PhD	English
National University of Public Service	Military Engineering	The Doctoral School of Military Engineering	PhD	English
National University of Public Service	Military Sciences	The Doctoral School of Military Sciences focuses	PhD	English
National University of Public Service	International Public Service	The first semester of the new programme is a	MA	English
National University of Public Service	International Public Service	The first semester of the new programme is a	MA	English
National University of Public Service	International Public Service	The first semester of the new programme is a	MA	English
University of Szeged	Agricultural Engineering	The aim of the BSc programme is to train agricultural	BSc	English
University of Szeged	English Studies	The aim of the programme is to train experts with a	BA	English
University of Szeged	French Language, Literature	The aim of the comprehensive teaching programme is to	BA	French
University of Szeged	German Language,	The aim of the programme is to train experts with a	BA	German
University of Szeged	Italian Language, Literature	The aim of the programme is to train experts with a	BA	Italian
University of Szeged	Spanish Language,	The aim of the programme is to train experts with a	BA	Spanish
University of Szeged	Business Administration	The programme is for students who intend to study in English	BA	English
University of Szeged	Performing Arts		BA	English
University of Szeged	Chemistry	After meeting the requirements of the programme,	BSc	English
University of Szeged	Gateway Training Program:	The objective of the program is to give an introduction to the	OP	English
University of Szeged	International and European	The objective of the programme is to train professionals with	OP	English
University of Szeged	English/German Legal	The objective of the English and German translating	MA	English

University of Szeged	Drezden - Szeged IP LLM	The objective of the programme is to offer organised training	OP	English
University of Szeged	International Relations	Specialisation: European Studies (double degree: MA of Lille	MA	French
University of Szeged	International Relations	Specialisation: International Economic Relations – Legal and	MA	English
University of Szeged	International Economy and	The global trend of dynamic internationalisation of economic	MA	English
University of Szeged	English Studies	The aim of the programme is to train experts at an	MA	English
University of Szeged	American Studies	This MA programme in American Studies is designed to assist	MA	English
University of Szeged	Choreomundus -	During the course of study students are introduced to	MA	English
University of Szeged	Education	This is a 120 credit master's degree programme designed for	MA	English
University of Szeged	English Teaching	Foundation, core subjects: Only for those students joining the	MA	English
University of Szeged	French Language, Literature	The aim of the comprehensive teaching programme is to	MA	French
University of Szeged	German Language,	The programme is designed to train experts in German	MA	German
University of Szeged	German Language,	This programme is designed to train experts in German	MA	German
University of Szeged	Italian Language, Literature	This programme is designed to familiarise students with the	MA	Italian
University of Szeged	Study of Religions	The aim of this MA programme is to provide students with	MA	English
University of Szeged	Spanish Language,	This programme is designed to familiarise students with the	MA	Spanish
University of Szeged	Classical Singing		MA	English
University of Szeged	Classical Musical		MA	English
University of Szeged	Food Engineering	A certified food science and technology engineer is skilled in	MSc	English
University of Szeged	Laser Physics and	The two-semester module is intended for students having at	OP	English
University of Szeged	Molecular biology -	The Molecular Biology–Biotechnology–Microbiology MSc	MSc	English
University of Szeged	Chemistry	The programme is based on the accredited curriculum used	MSc	English
University of Szeged	Software Information	The aim of the program is to train Information Technology	MSc	English
University of Szeged	Geography	The programme focuses on regional and environmental	MSc	English
University of Szeged	Applied Mathematics	The objective of the MSc programme in Applied Mathematics	MSc	English
University of Szeged	Financial Mathematics	Fields of study: Probability and Statistics - Stochastic Analysis	MSc	English
University of Szeged	Pharmacy	The Academic Programme offered by the Faculty of	OTM	English
University of Szeged	Medicine	The first two years serve as the foundation of basic clinical	OTM	English
University of Szeged	Medical Program	The German Language Medical Programme covers the first	OP	German
University of Szeged	Dentistry	The Dental Medicine Programme covers five academic years.	OTM	English
University of Szeged	Medical Translator and	Practically oriented training course, special language training	OP	English
University of Szeged	Medical Communicator	: Practically oriented training course, special language	OP	English
University of Szeged	Law and Social Sciences	Our doctoral school aims to give the opportunity for doctoral	PhD	English
University of Szeged	Law and Social Sciences	Our doctoral school aims to give the opportunity for doctoral	PhD	German
University of Szeged	Clinical Medicine	Educational programmes: Immunology, Dermatology,	PhD	English
University of Szeged	Interdisciplinary Sciences	The School offers a PhD program to graduate students and	PhD	English
University of Szeged	Multidisciplinary Medicine	The program is dedicated to providing high quality	PhD	English
University of Szeged	Theoretical Medicine	The program is dedicated to providing high quality	PhD	English
University of Szeged	Educational Sciences	The Doctoral School of Education considers its main objective	PhD	English
University of Szeged	History	The PhD programme embraces three study programmes: 1.	PhD	English
University of Szeged	Literature	Part of the programme concentrates on traditional forms of	PhD	English
University of Szeged	Linguistics	Fields of study: Altaic studies, English applied linguistics,	PhD	English
University of Szeged	Philosophy	Our programme is an integral part of the development of	PhD	English

University of Szeged	Economics	Answering theoretical and practical questions related to the	PhD	English
University of Szeged	Pharmacology and	The especially advanced possibilities of complex	PhD	English
University of Szeged	Biology	The high standards of the Doctoral School in Biology at the	PhD	English
University of Szeged	Chemistry	Chemistry PhD is a six-semester programme that involves	PhD	English
University of Szeged	Computer Science	All major fields of computer science and its applications are	PhD	English
University of Szeged	Environmental Sciences	The regular training in environmental sciences at graduate	PhD	English
University of Szeged	Geosciences	PhD students (5–8 full-time and 10 part-time students	PhD	English
University of Szeged	Mathematics	Today the Bolyai Institute consists of six departments:	PhD	English
University of Szeged	Physics	The Doctoral School of Physics was established in 1994,	PhD	English
University of Pécs	Andragogy	The programme aims to give an insight into various	BA	English
University of Pécs	Human Resources	The purpose of this course is to educate and train	MA	English
University of Pécs	Business Administration	This programme is designed for students who are	BA	English
University of Pécs	Applied Management	This programme is designed for students who want to	MSc	English
University of Pécs	Business Administration	The International PhD Programme is aimed at	PhD	English
University of Pécs	Regional Development	The International PhD Programme is aimed at	PhD	English
University of Pécs	Midwifery	Midwifery is one of the oldest and nicest professions in	BSc	English
University of Pécs	Nursing and Patient Care	The aim is to train nursing and health care experts who	BSc	English
University of Pécs	Physiotherapy	The aim is to train nursing and health care experts who	BSc	English
University of Pécs	Health Sciences	"Interdisciplinarity is a major feature of our Doctoral	PhD	English
University of Pécs	English and American	Our goal is to develop professionals with a high level of	BA	English
University of Pécs	International Relations	Educates students who want to learn about political	BA	English
University of Pécs	Psychology	At University Pécs you may study psychology as a	BA	English
University of Pécs	English Applied	The programme provides doctoral students with	PhD	English
University of Pécs	English Studies	The goal of the degree programme is to train experts in	MA	English
University of Pécs	International Relations	The goal of the MA degree programme in International	MA	English
University of Pécs	Ceramic Design	During the Ceramic Design courses students are	MA	English
University of Pécs	Classical Music	The programme focuses on developing music	MA	English
University of Pécs	Biology	The study program offers complete education in	BSc	English
University of Pécs	Chemistry	The study program offers complete education in	BSc	English
University of Pécs	Computer Science	The Computer Science BSc line offers full 3-year-	BSc	English
University of Pécs	Biology	The Doctoral School of Biology was accredited in 2001.	PhD	English
University of Pécs	Chemistry	The curriculum offers postgraduate training and a PhD	PhD	English
University of Pécs	Earth Sciences	The Doctoral School of Earth Sciences has developed	PhD	English
University of Pécs	Physics	The Doctoral School of Physics covers the fields that	PhD	English
University of Pécs	Earth Sciences	The Earth Sciences BSc line offers full 3-year-education	BSc	English
University of Pécs	Geography	The study program offers complete education in	BSc	English
University of Pécs	Mathematics	The Mathematics BSc line offers full 3-year-education	BSc	English
University of Pécs	Physical Education -	The program offers a 3-year training in physical	BSc	English
University of Pécs	Physics	The Physics BSc line offers full 3-year-education in	BSc	English
University of Pécs	European and	The LL.M Programme is aimed at training professionals	OP	English
University of Pécs	Renewal of the	The doctoral programme enables outstanding scholars	PhD	English
University of Pécs	Dentistry	These programmes provide complete theoretical and	OTM	English

University of Pécs	Medicine	These programmes provide complete theoretical and	OTM	English
University of Pécs	Medical Biotechnology	The MSc training aims to educate biotechnologists,	MSc	English
University of Pécs	Pharmacy	During the training programme students will have to	OTM	English
University of Pécs	Basic Medical Sciences	Organized formats of the PhD program: 1) Full-time	PhD	English
University of Pécs	Clinical Medicine	Organized formats of the PhD program: 1) Full-time	PhD	English
University of Pécs	Interdisciplinary Medical	Organized formats of the PhD program: 1) Full-time	PhD	English
University of Pécs	Clinical Neurosciences	Organized formats of the PhD program: 1) Full-time	PhD	English
University of Pécs	Pharmacology and	Organized formats of the PhD program: 1) Full-time	PhD	English
University of Pécs	Architecture	This programme trains students to apply their complex	OTM	English
University of Pécs	Civil Engineering	The course is aimed at people who are interested in	MSc	English
University of Pécs	Civil Engineering	This programme is accredited by the Institute of	BSc	English
University of Pécs	Architecture	The primary task of the Doctoral School is to provide	PhD	English
University of Pécs	Information Technology	The degree programme provides subjects and	BSc	English
University of Pécs	Information Technology	The programme aims to provide engineers from	MSc	English
Szent István University	Mechanical Engineering	Modelling of heat and mass transfer processes, Performace	PhD	English
Szent István University	Animal Husbandry Sciences	Biology of reproduction and development, Animal	PhD	English
Szent István University	Biology	Botany, Zoology, Molecular biology, Microbiology	PhD	English
Szent István University	Crop Sciences	Plant molecular genetics and gene technology, Plant cell	PhD	English
Szent István University	Environmental Sciences	Soil Science, Agro-chemistry, Environmental Chemistry,	PhD	English
Szent István University	Management and Business	Macro-economics of food economy , Agribusiness	PhD	English
Szent István University	Regional Sciences	Spatial, regional planning, regional development	PhD	English
Szent István University	Agricultural Sciences	The objective of the B.Sc. program is to educate future	BSc	English
Szent István University	Wildlife Conservation and	The purpose of this programme is to educate wildlife	BSc	English
Szent István University	Agricultural Biotechnology	The aim of the programme is to train agricultural	MSc	English
Szent István University	Agricultural Sciences	The objective of the M.Sc. program is to educate future	MSc	English
Szent István University	Animal Nutrition and Feed	Animal nutrition incorporates fodder and crop production,	MSc	English
Szent István University	Crop Production	Aim of the programme is to educate crop production	MSc	English
Szent István University	Wildlife Conservation and	The MSc Programme in Wildlife Conservation and	MSc	English
Szent István University	Business Administration	The objective of training is to train business economists who	BSc	English
Szent István University	Management and	The objective of the training is to provide specialists for the	MA	English
Szent István University	Rural Development and	The program - based on agricultural, economic, management	MSc	English
Szent István University	Mechanical Engineering	Knowledge of a mechanical engineer is determinant in the	BSc	English
Szent István University	Mechanical Engineering	The faculty maintains a dynamic program structure,	MSc	English
University of Debrecen	Dentistry	This Academic Program leads to the degree of Doctor of	OTM	English
University of Debrecen	Health Social Work	The aim of the degree program is to train professionals who	MSc	English
University of Debrecen	Medicine	This Academic Program leads to the degree of Medical	OTM	English
University of Debrecen	Molecular Biology	The objective of the MSc course in Molecular Biology is to	MSc	English
University of Debrecen	Pharmacy	This Academic Program leads to the degree of Doctor of	OTM	English
University of Debrecen	Complex Rehabilitation	The aim of the MSc in Complex Rehabilitation course is to	MSc	English
University of Debrecen	Physiotherapy	The curriculum of BSc in Physiotherapy Program is aimed to	BSc	English
University of Debrecen	Public Health	The aim of the BSc in Public Health course is to give a solid	BSc	English
University of Debrecen	Public Health	The aim of the program is to prepare specialists in economics	MSc	English

Semmelweis University	Health Care and Prevention	Health Visitor: The training of health visitors has a long and	BSc	English
Semmelweis University	Medical Laboratory and	Optometry: The aim of the Faculty is to train professionals	BSc	English
Semmelweis University	Nursing and Patient Care	Physiotherapy: Physiotherapists are independent	BSc	English
Semmelweis University	Nursing and Patient Care	Nurse: Nurses are professionals who can individually	BSc	English
Semmelweis University	Nursing and Patient Care	Midwife: Midwives are professional who are supporting	BSc	English
Semmelweis University	Nursing and Patient Care	Physiotherapy: The aim of Physiotherapy M.Sc. program is to	MSc	English
Semmelweis University	Nursing and Patient Care	Nurse: Graduates of the B.Sc. Nursing program can go on	MSc	English
Semmelweis University	Doctoral Training	The Ph.D. program at Semmelweis University consists of two	PhD	English
Semmelweis University	Dentistry	Aim of study: Full competent oral health care provider	OTM	English
Semmelweis University	Medicine	Aim of study: The goal of general medical education is to	OTM	English
Semmelweis University	Pharmacy	Aim of study: The purpose of the pharmacist training is to	OTM	English
Pázmány Péter Catholic University	English Studies	The course consists of two specializations: 1. English	MA	English
Pázmány Péter Catholic University	German Language,	The course consists of two specializations: 1. German	MA	German
Pázmány Péter Catholic University	French Language, Literature	French language, French-Francophone literature and culture	MA	French
Pázmány Péter Catholic University	Italian Language, Literature	The MA course of Italian Literature and Culture consists of	MA	Italian
Pázmány Péter Catholic University	International Studies	The course consists of three specializations: 1. European	MA	English
Kaposvár University	Digital Design Program	The aim of Digital Design BA study program is to develop	BA	English
Kaposvár University	Animal Nutrition and Feed	The Animal nutrition and feed safety MSc programme is the	MSc	English
Kaposvár University	Animal Science	The PhD students can perform research in the field of	PhD	English
Kaposvár University	International Relations	The objective of the study programme is to train experts,	BA	English
Kaposvár University	Regional and	The objective of the study programme is to train experts,	MSc	English
Kaposvár University	Management and	Short description of the programme: The research in the	PhD	English
Corvinus University of Budapest	Business and Management	http://isp.uni-corvinus.hu/index.php?id=25274	BA	English
